

40 new rooms now available at Capecare Dunsborough

Be quick to secure one of the final 40 rooms at Dunsborough's sought-after Capecare Residential Care Facility

Ideally situated between the beach and town centre, residents enjoy not only community connection, but also premium accommodation, state of the art facilities and high quality, personalised care.

Capecare Dunsborough's ground floor wings, comprising 42 beds, opened in late 2021 and this release will fill the final 40 rooms, completing the facility.

Every aspect of Capecare Dunsborough has been designed with residents in mind. Ample natural light and fresh air, bedroom outlooks over landscaped gardens, stylish and functional Australian-made furnishings, a colour palette inspired by nature, artwork by talented Margaret River artists and café-style dining rooms add to the ambiance.

Exceptional staff - A highly qualified team of nursing, lifestyle and allied health staff manage clinical needs; design individual programs; monitor physical and cognitive function; and deliver engaging social and recreational activities. Registered nurses and care staff are always on site.

Health and wellness – Tailored individual and group programs provided at our dedicated wellness centre by expert allied health professionals.

Dining – Onsite chefs provide a nutritious and tasty seasonal menu developed in consultation with residents. Medical, cultural, and religious dietary requirements are accommodated. Our home-style kitchen and dining spaces allow residents to make a cup of tea or prepare a snack during the day.

Two Double rooms - catering for couples.

Lifestyle – Residents can join in games, arts and craft, fun exercise classes and watch movies in our cinema, plus enjoy regular community outings, pet and music therapy, quizzes, visiting entertainers and gardening. Individually designed active and passive dining rooms, courtyards and balconies provide a variety of spaces to enjoy.

Opportunities for independence - The design of our facility allows residents to perform daily life activities such as laundry, cooking, gardening and entertaining if they choose. We encourage participation in activities supporting and improving movement and function.

Services - including a hairdressing salon for residents, café and BBQ area for entertaining.

About CapeCare

We are the largest regional-based independent aged care provider in Western Australia, existing to serve the needs of older people in the Capes Region and providing a continuum of care.
