### About Busselton

Busselton is a humming beachside haven a 2.5-hour drive south of Perth. It has all the amenities of a large regional hub but with the friendliness of a small country town.

Situated on a huge stretch of calm turquoise water on Geographe Bay featuring one of Western Australia's most visited tourist attractions, Busselton is a wonderful place to start your career, raise a family or simply slow down and enjoy the lifestyle.

A selection of primary and high schools, an array of sporting clubs, national retail outlets and bespoke shopping, galleries, restaurants, bars and breweries are all in easy reach.

### About Dunsborough

Along the bay west of Busselton just 20 minutes down the road is the smaller but growing seaside town of Dunsborough. Gateway to some of the region's best beaches, Dunsborough has all the holiday vibes with plenty of cafes and retail therapy.

Water sports, swimming beaches and nature trails around Cape Naturaliste make Dunsborough a haven for ocean lovers.

### About Margaret River Region

The low rise and laid-back towns of Busselton and Dunsborough are situated at the northern end of the Margaret River Region, known for wine, surf, stunning beaches, forest, arts and culture and natural beauty.

The Busselton Margaret River Airport provides a gateway to Sydney and Melbourne with direct flights and further expansion anticipated.
